**No. 1401**

**Introduced by Senator Simitian**

February 19, 2010

---

An act to amend Sections 14560, ~~14574, and 14581~~ *and 14574* of the Public Resources Code, relating to beverage containers.

LEGISLATIVE COUNSEL'S DIGEST

SB 1401, as amended, Simitian. Beverage containers: redemption payments.

Existing law, the California Beverage Container Recycling and Litter Reduction Act (act), requires a distributor to pay a redemption payment of \$0.04 for every beverage container sold or offered for sale in the state to the Division of Recycling in the Department of Resources Recycling and Recovery.

~~Existing law prohibits the department from expending, for the 2010 and 2011 calendar years, funds in the California Beverage Container Recycling Fund that are annually authorized for grants for beverage container recycling and litter reduction programs, the statewide public education and information campaign, grants for recycling market development, and grants for certain programs. Existing law requires the department to review the fund and~~ *authorizes the department to eliminate expenditures, upon making a certain determination, on or before 180 days, but not less than 90 days after a specified notice is sent to the Legislature.*

~~This bill would exclude from those prohibitions encumbrances made on or before March 8, 2010. This bill would also~~ *change the amount of time when the department is authorized to eliminate those expenditures*

*to on or before 180 days, but not less than 80 days after the date when that notice is sent and would make ~~technical changes~~ a conforming change regarding the review of the fund and elimination of expenditures.*

Vote: majority. Appropriation: no. Fiscal committee: yes.  
State-mandated local program: no.

*The people of the State of California do enact as follows:*
